Social entrepreneurs and leaders are the world's frontrunners, dedicated to solving societal challenges while running a sustainable business. As a European network for social enterprises and impact-driven leaders we connect and support impact practitioners.

Since our foundation in 2007 we have managed 25 mainly EU-funded projects to a value of over 15 million EUR, and worked with 50 partners from most EU Member States, the Middle East and Russia. EN and our partners have facilitated over 1.000 international business exchanges, as well as continuing to provide practical peer mentoring to 140 social entrepreneurs per year. EN also works to put social entrepreneurs at the forefront of shaping the ecosystem and market for social enterprises thanks to a new strategic partnership with the European Commission.

EN connects social enterprise intermediaries, universities and training institutes, frontline NGOs and impact-driven entrepreneurs.
