

FINANCIAL MANAGER POSITION - EN

Our mission – and also yours?

EN - the European Social Enterprise Network is a fast scaling impact organisation. We believe that social entrepreneurs and impact-driven leaders are the world's frontrunners dedicated to solving global challenges. We empower them to scale their positive impact and play a key role in paving the way for a new, just, and green economy. We are an impact network of diverse organisations and changemakers that surface opportunities and remove barriers for social enterprise and social innovation. Our network consists of members that are national networks, social funds, research centres and incubators - frontrunners that help social entrepreneurs with capacity building, networking, research, and developing their business. Since 2007, we have worked with 100 partners from most European countries, the Middle East and Russia. You can read more about our current projects and campaigns [here](#). Our events create a platform for international impact-driven organisations to present themselves, connect to investors, public officials and exchange experiences to scale together.
